mirsan®
19" rack cabinet systems

WT Series NETWORK Wall Type Cabinets are designed for small or medium sized network installation requirements.

All types of 19" equipments of all trademarks and models are readily housed by keeping them in connection with each other, within said professional, wall type network cabinets.
Thanks to its mountable structure to the wall, it may be easily used in cases where space is limited.

AESTHETIC VİEW

It presents an aesthetic view by means of its robust appearance, aluminum frame, and elegant and decorative structure of its front glass door.
It adds value to the ambient in which it is installed by its appearance and application.

DURABLE PROFILES

Main carcass profiles clinched at the upper and lower chassis of the steel construction of the cabinet adds maximum soundness and resistance.
