

**Product Description:**

- 1、Metal V-Shaped Groove Design, High Accuracy Of Optical Fiber Connecting, Excellent Technical Indicators.
- 2、Core Structure: Box Building Structure Design, Good Sealing, Matching Liquid Is Not Easy To Lose, Strong Weather Resistance.
- 3、Applicable Cable: 2.0mm×3.0mm Drop Cable.
- 4、Tensile Strength: > 50N/2min.
- 5、The Operation Is Simple, The Construction Speed Is Fast, The Installation Success Rate Is High, The Life Cycle Is Long, And The Maintenance Is Simple And Convenient.
- 6、Application: Used In FTTH Engineering And Cable Repair.

Item	Unit	Parameter
Insertion Loss	DB	≤0.20
Return Loss	DB	≥40
Tensile Strength	N/2min	> 50
Operating Temperature	℃	-40 ~ +85
Reassembly	Times	≥10
Applicable Optical Cable	Mm	2.0×3.0 Drop Cable
Product Size	Mm	90×8×7
